Reasons for Allowance

Status of the Claims :-

A new amendment was faxed on 9/8/05 since the previous one sent inadvertently still contained the cancelled non-elected subject matter.

Claims 1-4, 6-8 and 18 are pending.

Claims 5, 9-17 have been cancelled.

The rejection of claims 1-4, 6-8 and 18 under 35 USC 102 over Love et al has been withdrawn since applicants have amended the claims to R6 being a substituted alkyl, aryl or hetero alkyl. The substitutions on the alkyl are selected from various groups as given in the specifications and there is no motivation for one skilled in the art to make these changes to obtain the compounds of the invention.

The rejection of claims 9-17 drawn to method of treating given in paper 5/2005 has been withdrawn since applicants have cancelled the claims.

The following is an examiner's statement of reasons for allowance:

Thus the claims 1-4, 6-8 and 18 are found to be allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
